A special prayer meeting service was held at the First Christian church on Wednesday evening led by Mrs. W. O. Lawrence of Kansas City, state secretary of the C. W. B. M. There was a large attendance at the meeting and a delightful time was had. Mrs. Lawrence is the widow of a former pastor of the church and her meeting was one of special interest to all. A reading was given by Miss Thelma Hogue and a vocal duet was given by Robert L. Finch and Mrs. Harry Todd, along with several other musical selections all of which were well rendered and greatly appreciated.

Miss Grace Langan, librarian of the Maryville public library, and C. Edwin Wells, librarian of the State Normal, will go to St. Joseph Friday morning to attend an institute of the librarians of northwest Missouri. This meeting was arranged by the executive board of the Missouri library association, co-operating with the Missouri library commission.

The institute will be held at the Central library building at St. Joseph, starting at 2 o'clock. They will hold an informal discussion of practical library work. This is the first institute of the kind held in this part of the state and a good attendance is expected.

Miss Langan is a member of the committee that will conduct this institute. The other members of the committee are Charles E. Rush, librarian of the St. Joseph library, and Miss Elizabeth B. Wales, secretary of the Missouri library commission.

HE REMEMBERED KINDNESS.

Negro Who Died Sunday Will be Possessions to Miss Edith Raines, Who Had Befriended Him.

Kindness to an aged negro, who had been employed in the family many years ago in the south, brought its reward to Miss Edith Raines, a sister of H. L. Raines of this city, last Sunday. She will receive a neat sum of money left by one James Patton, who died last Sunday. Patton, who was nearly 90 years old, willed two matured policies in the Metropolitan Life, aggregating a total of \$500 and \$135 in the bank to the school teacher.

Miss Raines was until two years ago head of the English department in the Central high school in St. Joseph. Miss Raines left St. Joseph to become a teacher in the West high school of Minneapolis, Minn., of which H. R. Jordan, formerly principal of Central high school at St. Joseph, is principal. Her parents, Mr. and Mrs. H. R. Raines, live at Rock Port, Mo.

It was in the early eighties that Patton first began to work for the Raines family at Huntsville, Ala. He was greatly attached to the members, and when they moved north in 1885 he was permitted to accompany them. After working a while at Rock Port he decided to locate in St. Joseph. Miss Edith had gone to St. Joseph to teach, and when Patton became ill some years ago she cared for him and provided a nurse. This kindness he never forgot, and before his death he willed everything he possessed to her.

Patton was a bachelor, and until recently had been employed in a sanitarium. There are no heirs.

Inspecting Their Stores.

C. L. Graham of Ottumwa, Ia., president of the Graham-Latimer stores, and his son, H. K. Graham, secretary of the company, were in Maryville Wednesday evening inspecting their store here. They came from Clarinda in company with Lloyd Bouton, manager of their Clarinda store. They were well pleased with the store here. The Grahams left for Omaha last night. Mr. Bouton and Mr. and Mrs. Dick Hotchkins went to Clarinda Thursday morning. Mr. and Mrs. Hotchkins will return to Maryville this evening.

Mrs. George W. Walton, who has been visiting her parents, Mr. and Mrs. N. F. Hopper, returned to her home in Elmo Wednesday night.

RECEIVE OVER \$121

FEDERATION REALIZED THAT MUCH FROM OLD PAPERS.

IS FOR THE REST ROOM

In Fitting Up and Furnishing Rooms in the Basement of Court House—Work Has Started.

Mrs. C. C. Corwin, president of the Federation of Women's Clubs, received a check Thursday from the General Paper Stock company of St. Louis for the car load of old papers and magazines which they gathered up on Magazine day recently. In the letter received the paper company stated that the magazines arrived in first class shape and were just as represented. The sorting records of the company show less than 500 pounds of paper other than book stock in the entire car load. The receiving weight of the car was 32,500 pounds. For this amount \$178.75 was received, and \$57 had to be paid out for freight and other expenses, leaving the ladies a total of \$121.75 for their day's work.

This exceeds the amount of money which the ladies had expected from the sale of the magazines, however. The letter which the ladies received from the paper company was very complimentary in regard to the manner in which the car had been loaded and the manner in which the papers had been sorted and tied into bundles, thus saving the company all the trouble of going over the entire car load and sorting them.

This money will be used in fitting up the ladies' rest room in the basement of the court house, work on which has already commenced. The ladies intend to finish the room in first class style and provide everything which is needed for the comfort and rest of those who have no place to go while spending the day in the city.

When completed the rest room will be complete in every respect and will be so built that it may be used for parties or entertainments of any kind at which a private home would not be large enough to accommodate the guests. The rooms will be finished within a month or six weeks time, and will be the most modern convenience in the city. The ladies are to be congratulated on the success which they have accomplished in their good work.

To Deliver Sermon.

Rev. R. L. Finch will deliver the baccalaureate sermon at Corning, Mo., Sunday morning, May 17th. During his absence Prof. Harry Miller of the Normal school will fill the pulpit at the morning service and will give Henry Van Dyke's "The Last Word." On Sunday night the choir will sing a cantata, "The Ascension."

Mrs. S. J. Yeomans returned to her home in Hopkins Wednesday, after a few days visit at the home of her son and wife, Mr. and Mrs. F. J. Yeomans.

WILL INVESTIGATE

OFFICIALS GETTING INFORMATION ON DEATH OF L. W. HUDDLE.

WAS KILLED IN FIGHT

George P. Wright and Ed Wallace in Burlington Junction—Not Known What the Charge Will Be.

Prosecuting Attorney George Pat Wright and Sheriff Ed Wallace are in Burlington Junction today to investigate the fight that took place between L. W. Huddle and Roy Gunn on last Sunday, Huddle dying from a blow received on the head while engaged in the encounter. The officers had not returned to Maryville at press time, and it is not known what charge will be filed against Gunn, who is still in the county jail.

The funeral services for Huddle were held this morning at the house, two miles southwest of Burlington Junction. The body was taken to Shambaugh, Ia., where burial took place.

Gunn declined to talk to a representative of this paper today. He said that he was very sorry that Mr. Huddle died. Gunn is very nervous and has been unable to sleep soundly since the fight.

TO START WORK MONDAY.

The Township Board Are Now Planning on Starting the Good Road Work in Polk.

The township board of Polk township are now planning on starting their good road work in this township on Monday, when several loads of gravel will be hauled to places where new cement culverts are to be built. Other road work will be taken soon, and it is expected that the first installment of the bond money will be on hand within a few days. Polk has \$50,000 to spend for bridges and roads, and if the money is wisely expended there will be no doubt about the great amount of good that will be done. The present township board is composed of good first class business men, and there is no doubt that they will see to it that a dollar will go as far as possible.

Death at Parnell.

Garvis Hanks died at his home in Parnell at 7 o'clock Thursday morning. Mr. Hanks was 75 years old the 12th day of April. He was born in Illinois, and has lived in Missouri for about 25 years. He was the father of eight children, four of them living, three girls and one boy having died. Mr. Hanks had been ailing for over a month and death was due principally to old age.

Robert G. Sanders returned Wednesday night from a few weeks trip to Glasgow, Mont., and other places in the west.

Dallis Groves of Maitland was a Maryville visitor Thursday.

TO TEST VALIDITY

OF CONSOLIDATED SCHOOL DISTRICT IN HUGHES TOWNSHIP.

A DELEGATION HERE

To See George Pat Wright in Regard to Instituting a Suit for Nodaway County.

A delegation from Hughes township was in the city today to see Prosecuting Attorney George Pat Wright in regard to instituting a suit for Nodaway county to test the validity of the organization of Lyle, Hickory Grove, Stark, Haylett and Graham of that township into a consolidated school district. Several petitions signed by many from Lyle, Hickory Grove, Stark and Haylett districts were presented to Mr. Wright, requesting him to go ahead and institute the suit, and for him to take such step or steps as may be necessary to contest the said consolidation.

At an election held on February 22, Graham and the above four named school districts voted on the consolidation of their schools, and as Graham had more than enough to carry the election the proposition carried, with many being opposed to the proposition in the outside districts.

The petitions as presented to Mr. Wright contain the following:

Lyle—Peter Maurer, John Hansen, J. A. Dougherty, J. J. Johnston, F. Shambarger, Everett Mowry, J. L. Robertson, George Baer, Sidney Meadows, C. E. Johnston, W. W. Aten, H. W. Long.

Hickory Grove—C. E. Groves, G. W. Gaddy, U. S. Gaddy, A. A. Neuffer, E. M. Pope, J. M. Charles, E. C. Miller, C. F. Holliday, C. T. Frost, R. C. Shields, Peter Funnell, A. C. Hutchinson, W. G. Groves, D. M. Groves, C. C. Zaph.

Haylett—W. H. Wright, F. R. Fleming, T. E. Fleming, J. A. Ripley, F. W. Finkbeiner, John L. Collins, Mr. Faulconer, Lee Wright, J. R. Hatcher, G. M. Collins, Charles Ball, J. M. Andes, Emmett Ripley, W. N. Weston, Mr. J. Leeper, S. F. Haylett, J. W. Pool, T. F. Collins, J. H. L. Landers, W. F. Leeper, W. B. Taylor, L. G. Cropp, Ora Seeley, Lambert Seeley, O. R. Haylett, G. F. Davis.

TWO CANDIDATES FILED.

John A. Gex of Hughes Township for Presiding Judge and J. Arthur Wray for Recorder.

John A. Gex of Hughes township filed today as a candidate for presiding judge of the county court, subject to the Democratic primary, August 4. J. Arthur Wray also filed his declaration as a candidate for re-election for recorder of deeds on the Republican ticket.

Mr. Gex is a son of Robert B. Gex of Hughes township, who is well known over Nodaway county. He is a young man and a very successful farmer. He has been trustee of Hughes township for the past two years and has been a good road booster. Many new cement culverts and much road work have been done in that township during his administration, and Hughes township today is known as one of the good road townships in the county. He is well fitted for the position he seeks.

Mr. Wray is seeking re-election as recorder of deeds. He has held that position for four years. Before that time he was in the laundry business in this city and made a success of it. Mr. Wray was born and reared in Polk township and received his education from the country schools.

Get Acquainted Trip.

The Maryville Commercial club is arranging to attend the meeting of the Graham club next Monday evening in a body. This trip will be a "Get Acquainted Trip," and a big time is being planned by the Graham club. This will be the first meeting of the Graham club since its organization. This will be the first of many trips being planned by the Maryville club to be made throughout the coming season in the interest of the club's slogan, "All for Nodaway county, Nodaway county for all, and a big time is being looked forward to by all."

Edwin Wells, librarian of the State Normal, will go to St. Joseph Friday morning to attend an institute of the librarians of northwest Missouri. This meeting was arranged by the executive board of the Missouri Library association, co-operating with the Missouri library commission.

The institute will be held at the Central library building at St. Joseph, starting at 2 o'clock. They will hold an informal discussion of practical library work. This is the first institute of the kind held in this part of the state and a good attendance is expected.

Miss Langan is a member of the committee that will conduct this institute. The other members of the committee are Charles E. Rush, librarian of the St. Joseph library, and Miss Elizabeth B. Wales, secretary of the Missouri library commission.

HE REMEMBERED KINDNESS.

Negro Who Died Sunday Will be Possessions to Miss Edith Raines, Who Had Befriended Him.

Kindness to an aged negro, who had been employed in the family many years ago in the south, brought its reward to Miss Edith Raines, a sister of H. L. Raines of this city, last Sunday. She will receive a neat sum of money left by one James Patton, who died last Sunday. Patton, who was nearly 90 years old, willed two matured policies in the Metropolitan Life, aggregating a total of \$500 and \$135 in the bank to the school teacher.

Miss Raines was until two years ago head of the English department in the Central high school in St. Joseph. Miss Raines left St. Joseph to become a teacher in the West high school of Minneapolis, Minn., of which H. R. Jordan, formerly principal of Central high school at St. Joseph, is principal. Her parents, Mr. and Mrs. H. R. Raines, live at Rock Port, Mo.

It was in the early eighties that Patton first began to work for the Raines family at Hunstville, Ala. He was greatly attached to the members, and when they moved north in 1885 he was permitted to accompany them. After working a while at Rock Port he decided to locate in St. Joseph. Miss Edith had gone to St. Joseph to teach, and when Patton became ill some years ago she cared for him and provided a nurse. This kindness he never forgot, and before his death he willed everything he possessed to her.

Patton was a bachelor, and until recently had been employed in a sanitarium. There are no heirs.

Mr. Bouton and Mr. and Mrs. Dick Hotchkins went to Clarinda Thursday morning. Mr. and Mrs. Hotchkins will return to Maryville this evening.

Mrs. George W. Walton, who has been visiting her parents, Mr. and Mrs. N. F. Hopper, returned to her home in Elmo Wednesday night.

FEDERATION REALIZED THAT MUCH FROM OLD PAPERS.

IS FOR THE REST ROOM

In Fitting Up and Furnishing Rooms in the Basement of Court House—Work Has Started.

Mrs. C. C. Corwin, president of the Federation of Women's Clubs, received a check Thursday from the General Paper Stock company of St. Louis for the car load of old papers and magazines which they gathered up on Magazine day recently. In the letter received the paper company stated that the magazines arrived in first class shape and were just as represented. The sorting records of the company show less than 500 pounds of paper other than book stock in the entire car load. The receiving weight of the car was 32,500 pounds. For this amount \$178.75 was received, and \$57 had to be paid out for freight and other expenses, leaving the ladies a total of \$121.75 for their day's work.

This exceeds the amount of money which the ladies had expected from the sale of the magazines, however. The letter which the ladies received from the paper company was very complimentary in regard to the manner in which the car had been loaded and the manner in which the papers had been sorted and tied into bundles, thus saving the company all the trouble of going over the entire car load and sorting them.

This money will be used in fitting up the ladies' rest room in the basement of the court house, work on which has already commenced. The ladies intend to finish the room in first class style and provide everything which is needed for the comfort and rest of those who have no place to go while spending the day in the city.

When completed the rest room will be complete in every respect and will be so built that it may be used for parties or entertainments of any kind at which a private home would not be large enough to accommodate the guests. The rooms will be finished within a month or six weeks time, and will be the most modern convenience in the city. The ladies are to be congratulated on the success which they have accomplished in their good work.

To Deliver Sermon.

Rev. R. L. Finch will deliver the baccalaureate sermon at Corning, Mo., Sunday morning, May 17th. During his absence Prof. Harry Miller of the Normal school will fill the pulpit at the morning service and will give Henry Van Dyke's "The Last Word." On Sunday night the choir will sing a cantata, "The Ascension."

Mrs. S. J. Yeomans returned to her home in Hopkins Wednesday, after a few days visit at the home of her son and wife, Mr. and Mrs. F. J. Yeomans.

The Township Board are Now Planning on Starting the Good Road Work in Polk.

The township board of Polk township are now planning on starting their good road work in this township on Monday, when several loads of gravel will be hauled to places where new cement culverts are to be built. Other road work will be taken soon, and it is expected that the first installment of the bond money will be on hand within a few days. Polk has \$50,000 to spend for bridges and roads, and if the money is wisely expended there will be no doubt about the great amount of good that will be done. The present township board is composed of good first class business men, and there is no doubt that they will see to it that a dollar will go as far as possible.

A DELEGATION HERE

To See George Pat Wright in Regard to Instituting a Suit for Nodaway County.

A delegation from Hughes township was in the city today to see Prosecuting Attorney George Pat Wright in regard to instituting a suit for Nodaway county to test the validity of the organization of Lyle, Hickory Grove, Stark, Hayzlett and Graham of that township into a consolidated school district. Several petitions signed by many from Lyle, Hickory Grove, Stark and Hayzlett districts were presented to Mr. Wright, requesting him to go ahead and institute the suit, and for him to take such step or steps as may be necessary to contest the said consolidation.

At an election held on February 22, Graham and the above four named school districts voted on the consolidation of their schools, and as Graham had more than enough to carry the election the proposition carried, with many being opposed to the proposition in the outside districts.

The petitions as presented to Mr. Wright contain the following:

Lyle—Peter Maurer, John Hansen, J. A. Dougherty, J. J. Johnston, P. Shambarger, Everett Mowry, J. L. Robertson, George Baer, Sidney Meadows, C. E. Johnston, W. W. Aten, H. W. Long.

TWO CANDIDATES FILED.

John A. Gex of Hughes Township for Presiding Judge and J. Arthur Wray for Recorder.

John A. Gex of Hughes township filed today as a candidate for presiding judge of the county court, subject to the Democratic primary, August 4. J. Arthur Wray also filed his declaration as a candidate for re-election for recorder of deeds on the Republican ticket.

Mr. Gex is a son of Robert B. Gex of Hughes township, who is well known over Nodaway county. He is a young man and a very successful farmer. He has been trustee of Hughes township for the past two years and has been a good road booster. Many new cement culverts and much road work have been done in that township during his administration, and Hughes township today is known as one of the good road townships in the county. He is well fitted for the position he seeks.

Mr. Wray is seeking re-election as recorder of deeds. He has held that position for four years. Before that time he was in the laundry business in this city and made a success of it. Mr. Wray was born and reared in Polk township and received his education from the country schools.

Another Automobile Accident.

F. E. Hess, a rich sport from Bedford, went through Hopkins in a big Cadillac roadster last Saturday afternoon, accompanied by "Babe" Snyder and some other young man.

They were headed for Maryville at a Nancy Hanks pace, and were driving no slower when they started on the return trip.

All went well until they struck the nice stretch of road just north out of Pickering, when the car skidded and went into a ditch, turning over a time or two and sending the occupants high into the air, landing them over a barbed wire fence.

There were only two in the car when the accident happened—Hess and Snyder—and both were taken to Pickering and given emergency treatment, being taken home later in a car. The car they were driving is badly demolished, but its own power took it to Bedford the following morning.

Late word from Bedford states that neither of the young men are seriously hurt.—Hopkins Journal.

The McCleave farm, three miles south of Hopkins, is literally alive with pigs, the boys reporting about 800 up to date with 70 sows yet to farrow.

More than half of this will be produced on the farm, and the balance bought on the market.—Hopkins Journal.

Found Hanging to Wire Fence.
Hopkins drivers for the different garages see funny and peculiar sights on their rounds over the country, but Frank Dewitt of the McCleave garage reports one that "takes the rag from the bush," even if it didn't remove the hog from the fence.
He was driving near Ravenwood the other day when he saw in the distance an object that appeared to be suspended in midair.
On reaching the object it proved to be a hog hanging to a wire fence, the porker in some way having run a barb through its snout and was standing on tiptoe with its head high as the barb would add extra pain when it tried to free itself.
Frank stopped long enough to help the porker out of its difficulty and the hog grunted its hearty approval.—Hopkins Journal.

Commencement at Hopkins.

The commencement exercises of the high school at Hopkins will be held on Saturday evening, May 16, at the First Methodist Episcopal church. The commencement address will be delivered by Prof. W. S. Athearn of Des Moines, subject, "The Earmarks of an Educated Man." Prof. Athearn has for several years been the most popular commencement orator in Iowa, and will deliver his best address at Hopkins.

Will Vote June 1 at Hopkins.

The citizens of Hopkins will vote on the electric light proposition on Monday, June 1. If the election results favorably the lights will be running within 120 days after the election, says the Hopkins Journal. The sentiment seems to be practically in favor of the proposition.

Joshua Neal and daughter, Miss Mabel, went to St. Joseph, Tuesday afternoon.

Another Automobile Accident.

F. E. Hess, a rich sport from Bedford, went through Hopkins in a big Cadillac roadster last Saturday afternoon, accompanied by "Babe" Snyder and some other young man.

They were headed for Maryville at a Nancy Hanks pace, and were driving no slower when they started on the return trip.

All went well until they struck the nice stretch of road just north out of Pickering, when the car skidded and went into a ditch, turning over a time or two and sending the occupants high into the air, landing them over a barbed wire fence.

There were only two in the car when the accident happened—Hess and Snyder—and both were taken to Pickering and given emergency treatment, being taken home later in a car. The car they were driving is badly demolished, but its own power took it to Bedford the following morning.

Late word from Bedford states that neither of the young men are seriously hurt.—Hopkins Journal.

ert Lyle, Mrs. Fred Miller and Mrs. Beal Roseberry.

The afternoon's program was opened with a Scripture reading by Mrs. Lyle, after which Rev. R. L. Finch offered prayer. The members then told in poetry or prose in what manner their contribution was earned, and this feature of the program was greatly enjoyed by all. The basket contained \$55, which will be applied on the living link pledge. Mrs. Lawrence addressed the company on matters pertaining to the work of the Mission Circle, and was followed by Mrs. Fisher and Mrs. Harman, who made a few remarks. Rev. Finch, in behalf of the Circle, presented roses to two of the members, Mrs. McPherrin and Mrs. W. A. Miller, in remembrance of their birthday anniversaries.

Pink and white carnations adorned the dining table, and the same color prevailed in the refreshments of ice cream and cake. The dining room was in charge of Mrs. M. G. Tate, Mrs. G. L. Willey, Mrs. A. E. Bell, Mrs. W. C. Frank, Mrs. J. D. Frank, Mrs. F. P. Reuillard, Mrs. C. A. Barbour, Mrs. U. S. Wright and Mrs. E. T. Godsey.

The price is low and they are exceptional values. You should not miss seeing them.

On view for the first time today, these stylish White Waists bring the newest of the season's designs to you.

They are made in the two styles most in demand.

One model is made of

sheer India linen with broad self-stripes, with a frill around the neck and sleeves, or the same style can be obtained with an embroidery collar and cuffs and a handy pocket.

The other style, plain but gracefully cut, is made of fine plain India linen and has a frill around the neck, down the front and on the sleeves. It also has two narrow panels of embroidery down the front.

Both styles have the new three-quarter sleeves.

The styles will please you and the price should prove interesting. You will find these Waists in the suit section today and for the rest of the week.

WAISTS AT LESS THAN HALF PRICE!

Because these Waists have been soiled by packing and handling we have reduced the prices less than half. The styles are good; the materials are excellent. Made of fine India linens, voiles and flaxons. Many designs. Regularly priced at \$1.50 and \$2, choice for.....

New Rag Rugs

For many seasons there has been a constantly increasing demand for Rag Rugs.

The mills are producing new and beautiful designs to fill this demand for a style of a generation ago.

Rag Rugs have always been noted for their durability. They are used to give an "old time" touch to the bedroom, and since they are washable they are also appropriate for bathrooms.

These we are showing come in shades of pink, lavender, blue, green, brown and yellow. Across each end run stripes of white. They are soft to the touch, and closely woven.

The prices vary according to the different sizes—

Size 18 by 36 inches, price 50c

Size 27 by 54 inches, price \$1.25

Size 30 by 60 inches, price \$1.50

Hopkins drivers for the different garages see funny and peculiar sights on their rounds over the country, but Frank Dewitt of the McCleave garage reports one that "takes the rag from the bush," even if it didn't remove the hog from the fence.
He was driving near Ravenwood the other day when he saw in the distance an object that appeared to be suspended in midair.
On reaching the object it proved to be a hog hanging to a wire fence, the porker in some way having run a barb through its snout and was standing on tiptoe with its head high as the barb would add extra pain when it tried to free itself.
Frank stopped long enough to help the porker out of its difficulty and the hog grunted its hearty approval.—Hopkins Journal.

Commencement at Hopkins.

The commencement exercises of the high school at Hopkins will be held on Saturday evening, May 16, at the First Methodist Episcopal church. The commencement address will be delivered by Prof. W. S. Athearn of Des Moines, subject, "The Earmarks of an Educated Man." Prof. Athearn has for several years been the most popular commencement orator in Iowa, and will deliver his best address at Hopkins.

Will Vote June 1 at Hopkins.

The citizens of Hopkins will vote on the electric light proposition on Monday, June 1. If the election results favorably the lights will be running within 120 days after the election, says the Hopkins Journal. The sentiment seems to be practically in favor of the proposition.

Joshua Neal and daughter, Miss Mabel, went to St. Joseph, Tuesday afternoon.

Allen Wilson was arraigned before Mayor Wright this morning for drunkenness and fined \$5 and costs.
